

**Grand Chapter of Royal Arch Masons of the District of Columbia**

To the Candidate:

Prior to accepting the Royal Arch Degree, you must deposit your "Mark" with the Secretary to be inscribed in the Chapter's *Book of Marks*.

Your mark may be any design, device, letter, monogram or cipher; but to be appropriate, it should be simple, distinct and intelligible, and in some manner characteristic of yourself, your profession, business, trade of calling, or of Masonry. As this mark is intended to be inscribed upon your work within Royal Arch Masonry, the necessity for simplicity of design is apparent.

Present your mark in the drawn circle provided. If it is necessary to re-draw your design, prepare it on a separate piece of paper and affix it within the circle.
